Is Selma starving herself?

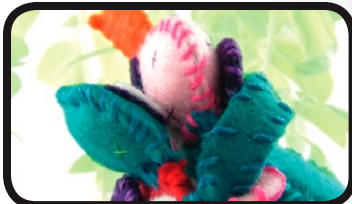

EXCLUSIVE!

LOVE TRIP

Drunken Princess and Bump-a-gump's Steamy Romp

On August 18, photographers shot **Drunken Princess** and **Bump-a-gump** frolicking together.

While rumours of a romance have been rampant, no proof was available until now! The lovebirds couldn't keep their paws off each other - no fear of PDA here!

Forgettable fling or serious relationship? In the past, Drunken Princess has only had eyes for a bottle of bourbon and Bump-a-gump was a wee bit of a gigolo but sources say that Bump-a-gump has been looking at rings.

Does anyone else hear wedding bells?

Will they tie the knot?

What about the Ex?

Straight from the Ex's mouth: "**Bump-a-gump** has always had wandering paws. He's a flirt and she's a tramp. They deserve each other!"

Sluts! They deserve each other!

Eat a pancake!

Selma the Mexican Fiend is known for her sexiness but those close to her are starting to wonder if **Selma** might be starving herself.

A source says, "Selma has lost some of her bountiful curves and is always exhausted. She heads to the bathroom after every meal so she must be bulimic!"

When approached for comment, Selma laughed and called the gossip "A bunch of hooley!"

Too thin?

Hortensia and Divebomb Square Off

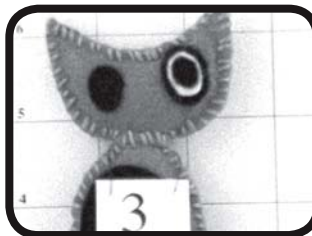

Hortensia the Mexican Fiend is no stranger to feuds but this might be the biggest yet! During **Divebomb the Wingnut's** recent cabaret performance, *Divebomb does the Thriller*, Hortensia yelled insults from the audience. Unimpressed, Divebomb flew out into the audience for an impromptu tussle. Hortensia left with a swollen eye. Divebomb takes this round!

Javier arrested for grabbing bum in public

Javier the Mexican Fiend™ was arrested on Monday for allegedly grabbing a female fiend's bum in public.

Javier is a well-known prankster and this is not his first ass-slapping arrest. Similar circumstances occurred last February but charges were dropped.

Javier's reps could not be reached for comment.

Wingnuts make off with charity money

When **Fly-By** and **Barrel Roll** announced their plans to host the charity event "Little Wings Flying School", everyone was feeling warm and fuzzy so it came as a shock to all involved when the Wingnuts Duo flew away with the money: "They seemed so nice" said one event attendee.

No "official" word on the Wingnuts's whereabouts but we at *LF Tabloid* think they are most likely in a drunken stupor by now.
