Cheater!

Bump-a-gump snogs Selma! Drunken Princess is pissed!

Smooches! Slaps! Tears! Bump-a-gump was caught kissing Selma the Mexican Fiend at a friend's birthday bash (see below). The PDA was out-of-control; "Bump-a-gump couldn't keep his paws off of her!" says an overwhelmed bystander.

Just when we didn't think things could get any more heated, Bump-a-gump's girlfriend, Drunken Princess showed up! She was pissed and unprintable expletives flowed from her mouth like tequila from a bottle. Says a source, "Drunken Princess was outraged. Their relationship is over, for sure, there is no way she can trust him".

Seattle Rocks! Barrel Roll's Fishy Encounter...

Barrel Roll the Wingnut was spotted at Seattle's Public Market. Apparently, he was delighted with the flying fish at *Pike Place Fish Market* and even tried to join the show. The fun ended when he got in the way of a fishmonger and was walloped by a flying salmon.

Jorge's Birthday Bash!

It was a raucous party and all the fiends worth knowing were in attendance. Jorge the Mexican Fiend celebrated his birthday at the local dive where the booze flowed and the music pumped.

Jorge spent most of the night drinking tequila and sharing the karaoke stage with fellow Mexican Fiend, Javier. Arrested last month for ass-slapping, Javier seemed undeterred by his recent negative publicity nor were his fans; female fiends crowded the stage when Javier sang "Pour some Sugar on Me".

As for the birthday boy?
Jorge had to be carried out at the end of the night.
