Caught Kissing!

“I’M SORRY!” BUMP-A-GUMP GROVELS

In November 2005, *LF Tabloid* reported the salacious philandering of **Bump-a-gump** when long-term girlfriend **Drunken Princess** caught him smooching **Selma the Mexican Fiend** at a birthday party.

In an exclusive to *LF Tabloid*, Bump-a-gump says he “cannot live without his love [Drunken Princess] and will do anything to get her back.” Will his pleas go unanswered? Stay tuned.

Hortensia Hit Me!

Hortensia the Mexican Fiend strikes again... literally. An unidentified fiend says Hortensia just reached out and slapped him while in line at the hot dog stand.

Charges were laid and later dropped but Hortensia has been ordered to take anger management classes.

Lesson learned: Hot dogs are bad for you!

Javier Falls From Roof at Drunken Princess Bash

Javier the Mexican Fiend apparently fell off the roof of **Drunken Princess**’ house during a holiday party.

Bystanders report that Javier was “drunk legless” and purportedly made his climb to show off to the crowd below. He then landed in the bushes and was “not injured, not hurt, not arrested,” Little Fiends Police Department Sgt. Swillmonger tells the *LF Tabloid*.
