## Happy Valentines Day

Will their love survive infidelity?

### Fly-By & Selma: Declare their Love!

Either these two are good at keeping a secret or this is a fresh romance; **Fly-By the Wingnut** and **Selma the Mexican Fiend** are the latest to hook up. Whatever the case may be, sources close to the couple say they are smitten with each other.

Fly-By and Selma recently jetted off to an undisclosed location for a romantic getaway. Maybe for a Valentine's Day wedding?

### BUMP-A-GUMP & DRUNKEN PRINCESS BACK ON AGAIN!

**Bump-a-gump** has melted the heart of his on-again-off-again love **Drunken Princess**. "He is an exceptional monster. We are working it out," the diva told LF Tabloid at the bottle depot where she was cashing in her empties.

In last month's issue, Bump-a-gump groveled to Drunken Princess to take him back after he was caught cheating with **Selma the Mexican Fiend**. Drunken Princess has apparently forgiven him - for now!
