Issue 7, May 2006

## Toronto Tribute!

In March, the Little Fiends™ traveled from Vancouver to Toronto for the One Of A Kind Show. This wasn't just a business trip, folks! There was plenty of time to cruise the streets of Toronto & take in the sites.

Naughtiness abounds!

He is known for his mouth & wandering paws...  
Bump-a-gump at Club Zanzibar's red hot show!

Jorge and Javier.  
Hey, are those cowboys in the background?

Calling all Aliens! Elly returns to the mothership.  
Oh, wait, it's the CN tower.
